Spiritual Obedience Sunday Topic

The Lesson-Sermon in all Christian Science churches Sunday is on the subject of "Life."

In a Scriptural citation it is related that Caleb, the son of Jephunneh, came to Joshua and reminded him of the promise which God had given him at the time of the exodus of the children of Israel, that if he would follow the commands of the Lord, He would bless him. He said, "And now, behold, the Lord hath kept me alive, as He said, these forty and five years," and he added, "As yet I am as strong this day as I was in the day that Moses sent me." At the age of eighty-five he was able to say, "As my strength was then, even so is my strength now." (Joshua 14:10,11).

This Biblical assurance of length of days is spoken of later in the sermon by Mary Baker Eddy in "Science and Health with Key to the Scriptures" when she writes, "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality" (p. 487).

The following verse from Psalms (42:8) is the Golden Text: "The Lord will command His loving kindness in the daytime, and in the night His song shall be with me, and my prayer unto the God of my life."

Four Join Walteria Baptists

The sanctuary at Walteria Baptist Church is always beautified each Sunday morning by the consecrated artistry of Mrs. Norman Goodrich. For the service of the past Sunday she had arranged jonquils and stock in springlike freshness.

Mrs. Jerry Richards favored the congregation with an appealing solo, "I Took a Miracle." Pastor Husted and the church officials extended the right hand of fellowship to four new members: Linda Howe, Lorraine Maynes, Sharon Brennan, and Irene Mills.

The men's work crew can be seen hard at work any Saturday morning as they apply lumber to the new Sunday School building. In charge is Nelson Harvey, chairman of the building committee of the church. Assisting are Jerry Richards, Charles Vosper, George Kiesel, Charles Lilly, Dick Langstaff, Lloyd Hughes, and Calvin Car-kuff.

The Sunday evening service begins at 7 p.m., so that families can reach home at an early hour with the children. The church is located at Park and Newton Streets. The public is invited to all services.

Work on New Church Progressing

Work on the New Hope Evangelical United Brethren Church is well under way according to the pastor, Rev. H. H. Miller. Plans were drawn by Louis Gamble, Associate of Long Beach, and building construction is carried on under the direction of Laird and Suppos.

Members and friends of the church are welcome to donate labor in construction.

Communion was held last Sunday morning at which time the following persons were taken into church membership: Mr. and Mrs. H. E. Ramsey, Mr. and Mrs. Bud Van Pelt, Mrs. Lucille Bates and Mrs. Thomas Yamada.

Youth Fellowship was organized Sunday evening. Those elected to serve for the remainder of this conference year are: Drew Floria, president; Ronnie Lane, vice president; Gary Swanson, secretary; Myrna Oenes, treasurer; commission on worship and devotional life, Sondra Welty; commission on evangelism and stewardship, Donald Bramblett, and commission on missions and social action, Susan Welty.

The purpose of Youth Fellowship is to lead young people to an understanding and acceptance of Christ as personal Savior. Also to train them for leadership in the church and community. The age group includes young people between the ages of 12 and 24.

Meetings will be held every Sunday night at 6 p.m.
